Chapter 13

Greetings,

Thank you very much for holding my 4th volume in your hands

Actually, after sending in enough manuscripts for 3 volumes, my health worsened and I had to take a break from Bandou-sawa for a little while. (Because of that, the 3 volumes were late to come out. I sincerely apologise.)

~ So, this chapter is the long-awaited continuation marking my return.

Afterwards, to Asagensha and everyone at Lala Productions, who prepared a place for me to draw again despite the trouble I caused by constantly messing up the serialisation plans, and to the readers who never stopped supporting me, I am very grateful. Thank you very much! To those who sent letters and presents even during my break, I apologise! Also, I apologise for putting out this work without warning! Allow me to fool around a little!
